The Honorable Andrea Stewart-Cousins  
Temporary President and Majority Leader  
New York State Senate  
Albany, NY 12247

Dear Senator Stewart-Cousins:

I am pleased to transmit the Annual Report of the New York State Senate Standing Committee on Social Services (The Committee) for the 2020 Legislative Session. As Chair, I am proud to continue to lead our efforts to address important matters under my Committee's jurisdiction including, but not limited to, alleviation of poverty, assistance to survivors of domestic violence, services for disconnected youth, assistance for individuals with disabilities, workforce readiness and a vast network of services for vulnerable New Yorkers.

During the 2020 Legislative Session, the Social Services Committee met 3 times and reported 13 bills. The Committee also held 3 roundtables and 1 public hearing this past year. The Social Services Committee continued to work closely with the Mental Health & Developmental Disabilities and Children & Families Committees, respectively. Given the marked disparities in access to food and healthcare that COVID-19 has driven to acute levels, the Social Services Committee also consulted the Agriculture and Health Committees on various intersecting issues.

I thank my colleagues who served on the Committee for their efforts and support of the work that we accomplished this year, and I thank you for the continued support from the Majority Conference in the Committee's operations.

Sincerely,

A handwritten signature in blue ink that reads "Roxanne J. Persaud".

Roxanne J. Persaud

## COMMITTEE HIGHLIGHTS

The following key bills were acted on by the committee in 2020:

### **S5552-A NYS Self-Sufficiency Standard Study (Persaud)**

S5552-A would direct the Department of Labor to contract with a third party to produce a self-sufficiency standard study containing up-to-date information on poverty in all areas of the state. The resulting data would provide policy makers with detailed information on poverty in their communities as well as help individuals living in poverty to create a basic needs budget based on their location to help foster financial literacy and economic security. A report would be due to the Governor and Legislature every two years. S5552-A was reported to the Senate Finance Committee on January 14, 2020.

### **S2375 Home Stability Support Program (Krueger)**

S2385 would authorize a new Home Stability Support Program whereby eligible public assistance recipients and/or those facing an imminent loss of housing may receive a shelter supplement equal to 85% of the FMR along with funds for heating assistance to prevent eviction from their established home and thus eliminate the need to enter an emergency shelter. This program would be administered by each local social services district using state funds. S2375 was reported to the Senate Finance Committee on February 11, 2020.

### **S8247-A SNAP Online Grocery Purchasing (Kaminsky)**

S8247-A would require NYS OTDA to seek and maintain necessary federal waivers to enter into agreements with grocery retailers to offer online purchasing of groceries using benefits issued through the Supplemental Nutrition Assistance Program (SNAP). New York State has been a participant in a USDA Pilot Program since 2019. Additionally, numerous references to “food stamps” in the Social Services Law are corrected and modernized to accurately reference the Supplemental Nutrition Assistance Program. S8247-A was signed to Chapter 342 of the Laws of 2020 on December 15, 2020.

### **S8739 Pandemic Unemployment Insurance Benefits Income Disregard (Persaud)**

S8739 would enact a statutory disregard of Pandemic Unemployment Assistance income in determining eligibility for Supplemental Security Income (SSI) and Supplemental Nutrition Assistance Program (SNAP) benefits. S8739 passed the Senate and advanced to the Assembly Third Reading Rules Calendar no. 279 on July 22, 2020.
