

SENATOR MONICA R. MARTINEZ ATTENDS THE SOUTH BAY ART ASSOCIATION, WOMEN IN THE ARTS EVENT

(PATCHOGUE, NY) On Sunday, March 8, 2020, New York State Senator Monica R. Martinez joined the talented ladies of the South Bay Art Association for lovely conversations and beautiful art on Main Street in Patchogue.

The South Bay Art Association was established in 1956 to promote education, creation and appreciation of the arts and local artists.

“I would like to thank SBA President Krystle DiNicola for the opportunity to share such a lovely Sunday event. The arts is a language that brings us together. I look forward to more opportunities such as this to celebrate women making incredible pieces of art and making a difference in our communities.” said Senator Monica R. Martinez
