**FRESH...
Is Back!**

Dear Friend,

Eating "local" helps support our hardworking farmers and promotes better health. And our area farmers markets make it easier than ever to make good choices about food and eating.

I hope you will visit some of the farmers markets listed in this guide, support our local farmers and eat fresh!

Farm-to-Seniors Program

Ritchie Delivers Funding to Help Seniors Eat Healthy

I'm pleased to share that funding I delivered in the State Budget will help make it easier for low-income seniors to eat fresh and local. Money saving coupons can be redeemed for free products at area farmers markets.

To find out if you—or someone you know—is eligible, contact your local Office for the Aging:
