SENATOR PATTY RITCHIE'S 2021

Connecting you with fresh, healthy food in

JEFFERSON, OSWEGO AND ST. LAWRENCE COUNTIES

Dear Friends,
It's summer, and
farmers markets are
back!

Our area markets are
the perfect places to
find fresh, healthy
and local foods.
Not only that, but
shopping at your
community farmers market supports our hardworking
farmers, too.

In addition to fresh fruits and vegetables, many local
farmers markets feature handmade goods and crafts,
food from area eateries, fresh flowers and so much more.
They're the perfect place to "shop small."

I hope this guide helps you find fresh food and more at our
local farmers markets. Best wishes for a great summer!

Patty
