

"TRASH IS MORE THAN GARBAGE."

By Ben DeSantis

TRASH IS MORE THAN GARBAGE,
TRASH IS DEADLY TOO,
SO DON'T LEAVE IT WAITING,
TO BE WRONGLY DETERMINED AS FOOD.

THAT'S WHY WE NEED TO FIX IT,
WITH A SUPER GOOD PLAN,
FIRST WE NEED TO CLEAN UP ALL THE OLD TRASH THAT WE CAN.

WE'LL DO THIS WITH SOME AIRCRAFTS THAT WILL SUCK UP ALL OF IT,
THEN TURN IT INTO TOYS AND CLOTHES,
OR EVEN A TRASH ART KIT.

NEXT WE INSTALL UNDERGROUND TUBES ON PUBLIC GARBAGE BINS,
THE TRASH DROPPED IN WILL BE CONVERTED INTO PAPER, BOTTLES, AND TINS.

TRASH IS A PROBLEM,
THAT CAN BE SOLVED,
BUT ONLY IF WE THINK BIG AND IF YOU GET INVOLVED.
