

Reduce Reuse Recycle!

Did you know?
Over 250 MILLION PHONES are thrown away every Year! That is Crazy NOT Recycled!

Wow fact!
Opening the door & letting cold air out makes your AC work much harder!

Leaving a lightbulb on for another hour uses .04 KW of energy. It would take you 2 1/2 DAYS riding a bike to recreate all that energy!

Crazy fact!
Did you know that if you place a brick in your toilet tank it saves 1/2 of gallon every time you flush the toilet!
