

# Earth Day

## Anya Bravin

Earth day, Earth day, a day to celebrate.

We don't want to miss a thing, so we won't be late  
Earth day Earth day, a day we love.

We love you in the morning we love you like a  
Dove.

Earth day, Earth day, you are our reminder, to  
care for the Earth and put our ideas in a binder.  
So remember everybody, remember with joy,  
Reduce, reuse, recycle whether you're a girl or a  
boy.
