

earth day

by Luther ames

Help earth!! please! and thank you

black hole
is this a bad time?

yes!!

poor earth

don't give them a chance

I smell bad help!

humans are hurting you!

Mars

I hate human!

earth is weak

get rid of them

they need to save there own planet

things you need to know ↓

earth is being hurt because human are throwing garbage everywhere please save the earth

Sun

Saturn
