String cardboard

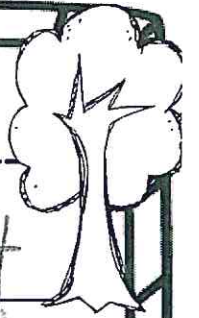

recycle

I'm writing about Earth day and how I Reduce, Reuse and Recycle.

So here are some photos of things that I can Reduce, Reuse and Recycle. I can Recycle water bottles, paper, cans and many more things! How I Reduce is if I'm drawing and I make a mistake I can flip it over and use the other

Name Ellis Giroux

Side or make something different
out of it. How I reuse is at
my house we use metal straws
and plastic forks spoons
and knives that can be
put in the dish washer!
This is how you can
do your part you can
reduce, reuse and recycle!
I care about the Earth!
I hope you do too! There
are so many things
YOU can do to change
the Earth! why not start
now?
