[Why Doesn't  
NASA Launch  
Trash Into the  
Sun](#)

## Introduction / How can you reimagine trash for a better future ?

There is a lot of ways to reimagine household trash.

. Papers : bags , cardboard .

. Glass : bottles , Jars , cups .

. Plastic : Straw , cups , bottles and gallons .

## Support 1 / How can we reuse Paper

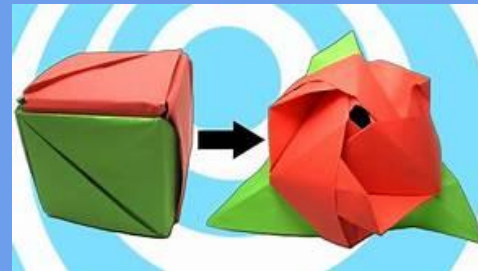

We can use paper to make paper !

<https://www.youtube.com/watch?v=sHbk9UAAXGE>

We can also use paper to wrap presents . And you moving out , you can wrap your objects with paper so it can protect .

You can also use paper to make figures and arts .

There is so many ways to use paper !

# Support 2 / How can we reuse plastic

We can reuse plastic by making a Garden !
