

# Old into New

By: Owen Gilbert

Think about trash,  
let's make it fun!  
Try to think about the things,  
that could be done!

A coffee can,  
could turn into a piggy bank.  
And a glass jar,  
could become a small fish tank.

Maybe you want to,  
make some art out of newspaper.  
And tomorrow's lunch,  
could be stored in last night's take out container.

So many ways,  
to turn old into new.  
Give it a try,  
and see what you do!
