

Name Kristen 4-2-11 How to help  
the earth

to save the Earth  
by not littering that means not  
throw garbage and trash out your car  
windows. Another way to save the Earth is  
picking up trash, garbage, bottles  
and cans. Another way is by recycling  
recycle cars, reuse. Reuse is for bottles  
and cans. Reduce buy groceries in bulk,  
knockings. Reuse well or give something  
away items you don't want  
more. These are some ways

Name Ellie Ann 4-16-21

to save the Earth.

A series of horizontal lines for writing, starting from the line containing the title and extending down to the line above the bottom-right corner.
