

# A Home For Everyone

Dear Earth,  
Thank you for giving us a place to live  
Your forests are green and beautiful  
I promise to protect you  
From people that try to cut down your trees  
That help us breath  
I will recycle paper  
To help your trees  
I will try to protect your animals  
They are important too  
I will pick up garbage  
So the air doesn't blow it  
And your animals won't eat it  
Thinking it's food  
Thank you for all the trees you give us  
Thank you for caring for us  
Thank you earth, we love you  
Your friends in Room 5
