

The Science and Medicine Middle School 366
Earth Day Art Contest

Class 604 Haiku to Celebrate Earth Day

Shaina Cilaire
It's ice cold today
The snow was soft on the road
Snowflakes on branches

Ashanti Spann
The sun has come now
Grass glistens to yellow
Little flowers bloom

Noah Grant
Gray sky and snowfall
Snowflakes drop with wind and frost wind
Cold seasons white trees

Lail Chambers
Spring with fresh green grass
Nice fresh breezy spring airsoft
A pretty white flower blooms

Wilnika Pierre
I see the flowers
Blooming walks near the old pond

Wilnika Pierre
Sun rises up early
Feel the warmth wanting summer
Wavy oceans smile

Analise Sainvil
Beautiful sunsets
Snow melting and defrosting
Spring is joining us

Endy Clerveau
The sun has come out
Enlightenment behold all
Happiness blossoms

Arba Malik

Pink skies are setting
Snowflakes falls into water
Wind pushes winter

Alissa Coulon
The frosty winter
Cold flakes gently caressing
Rows of snowy trees

Widezana Michel
The sun kissed grass blows
The lilys pop through the ground
Sweet scent of honey

Abigaelle Louis
In The Winter Time
Snow falls down like sea water
Glisten and sparkles

Gurlende Pasquier
The sun is bright
Yellow bumble bees flying
Lilies are blooming

Lovensky Michel
A bright yellow sun
Flowers blooming in the sun
Kids playing in grass

Arianna Brown
Flowers are blooming
The green frogs jumping around
The sun is gleaming

Kesnel Paul
Great glowing bright sun
Hot day perfectto go out
To the water park
