

## Trees

I love trees  
I feel the breeze  
From the trees  
Oh the air  
From the trees  
In the breeze  
Oh the earth  
With the trees  
That are green  
With the breeze  
From the trees  
On the earth  
Lets celebrate  
The earth  
With the trees  
And the breeze  
On earth day  
Grow the trees  
That are green  
To help the earth  
And help the breeze
