

Our Earth
By Rouguiatou Bah

Our Earth is special, there is just one.
It gives us water, soil, and sun.
People and animals share the land,
Let's all lend a helping hand!
You can save water, and plant a tree
Make a better home for you and me.
Recycle things, don't throw them away.
Make every day an Earth Day!
I know you see litter on the street
I know you smell pollution in the air
A lot of people just don't care.
I see it too and it's so unfair
There's something each of us can do
To keep the rivers clean
To keep the fresh air we breathe
And keep the forests green.
Help clean a beach
Or recycle bottles and cans
Learn about the problems we face
And help others understand.
It doesn't have to be a lot
If we each just do our share
So take time out on Earth Day
To show the Earth you care.
