

I'll do it
LATER

Pick up your trash
Why drop it on me?
Y'know it's harsh
Just let me be
Clean me up everyday
And I'll be happy
Throw the trash away
I don't want to be unhappy
Clean me up
It's all I ask
I don't ask for a scrub
It's not a hard task
There is a way
Earth day is everyday

Clean me
up
