## GRATEFUL ESSAY

*This Thanksgiving I am thankful. First, I am thankful for my family. I am thankful because I have a new baby sister. My baby sister's name is Daphne and I enjoy playing with her. Next, I am thankful for my health. In the summer I broke my finger but now I am better. The doctor gave me a metal brace to hold my finger in place so it healed. Finally, I am thankful for my home. When it rains, I don't get wet. I can sleep safely and have food to eat. As you can see, I am thankful these three things.*
