

Thanksgiving Day! - Sofia De Los Santos

612

If I could change "Thanksgiving Day"

I would rename it Thanksgiving Every day!

After all, each and every day I am thankful in so many ways.

I am thankful for my health

For each and every of my cells

I am thankful for my family

And my grandparents hospitality

I am thankful for the friends I have made and for the teachers from whom I learn

I am thankful for the mistakes I've made

For these experiences will show me a better way

I am Thankful for the school I attend

I am not just saying this to pretend.

I am thankful for the freedom I enjoy

Thanks to our soldiers who get deployed

I am Thankful for my curly hair

I am thankful for everyone who cares

Happy Thanksgiving!
