

## What I am Thankful For

I am thankful for my family

My mom, my dad, everybody

My family includes aunts, uncles, and cousins

And don't forget my sibling too,

How big my family is might scare you.

I have a brother a dog and nineteen cousins

You know I am going to do a lot of hugging

Thanksgiving, Christmas, and all around the year,

My family is always somewhere near.

Some in Staten Island, some in Brooklyn,

Most of them are Italian

However I do have some family in Puerto Rico,

That makes me half and half, what do you know!

My family is always there for me

When I'm happy sad and in between,

My family is always somewhere to be seen

This is why for Thanksgiving this year,

I'm thankful for my family for always being here.
