Soon it will be Thanksgiving. It's a time when people are thankful and caring. Thanksgiving is also a time when family and friends get together and celebrate what we're thankful for.

I am thankful for my family. I am thankful for my family because we sometimes do stuff together. Such as camping, the zoo and finally shopping. My favorite family members are my dad and my sister. My family and I do active stuff. My mom exercises my dad plays soccer and I do taekwondo. I am also thankful for my teacher Ms. DeRico. She is the best teacher in the world. I am thankful for my teacher because she teaches great. I adore Ms. DeRico as much as I adore my family.

In conclusion These are all the things that I am thankful for every year on Thanksgiving. Thank you.
