## I Am Thankful For...

I am thankful for my family and friends. I am thankful for my teachers, too! All of these people have helped me a lot in life. I am thankful for my family and friends because they all protected me when I was scared and inspired me to overcome my fears. I am thankful for my teachers because they taught me to never give up, have a growth mindset, and I learned new things with them! I love learning new things! Most of all, I am thankful to veterans for serving our country and sacrificing their lives for us to live a happy life. Thank you, veterans, Mom, Dad, Ms. Mujaj, Ms. Abood, Ms. Ambrosio, Ms. Fazio, Mrs. Haddad, Ms. Abrams, and last but not least, Andrea and Ethan.
