I can't wait for Thanksgiving!

Thanksgiving is my favorite time of year because we get to go to my cousin's house.

We are with my whole family. We get to eat turkey with my family and my cousins.

During Thanksgiving my mom and dad get me candy and they bring me to my cousin's house. They let me have

a sleep over and we celebrate with them Thanksgiving.

I am thankful for my mom taking me to school and cooking my food! So I don't have to eat school lunch! I am thankful for my grandma taking me to school every day even though she was hurt in a car accident. I am thankful for my grandpa giving me money for school. He makes sure I get supplies each year for school.

These are the reason
why I am thankful,
