

THANKSGIVING FEAST

by Auriana M. Zakovic

I am thankful for my five senses

I am also thankful for the thanksgiving feast,
with my family and friends.

On thanksgiving I see turkey,
chicken, flowers and, mashaAllah.

I hear people moving chairs and, people chowing.

The ^{smell} of corn and chicken and turkey.

and I also smell flowers.

I feel turkey and corn.

I taste chicken, corn and turkey. It is so tasty.
