

Giving Thanks

By Ayesha Nawaz, Class 4-317, P.S. 238

I'm grateful for a lot of things. Three things I'm thankful for are family, friends, and teachers.

The first thing I'm thankful for is my parents because we have so much fun together. We joke with each other, eat delicious meals together, and watch T.V. We also go to fun places. For example, when we went to the amusement park and we went on rides and hand fun. My parents also help me with things. Such as when I'm sick they help me feel better. So I'm really thankful for my parents.

Next I'm thankful for my friends because they help me. We tell each other jokes. We support each other, and have fun. We go to the park with each other and have lunch together. Two of my best friends are Abeera and Dilafruz.

The last thing I'm thankful for is my teacher. I'm grateful 4th grade teacher, Mrs. Mekel because she helps us. She's pretty, nice, and hardworking. She's fun. She jokes a lot. She helps us with classroom. She teaches us math, ELA, science, and social studies. She never screams. She also makes us laugh. So I'm also really thankful for my teacher.

In conclusion, these are all the people I'm thankful for. I'm so grateful for my parents, best friends, and my fourth grade teacher.
