This year I am thankful for many things. I am thankful for my books at home because I like reading. I am thankful for my family because they love and care for me. I am thankful for my teachers because they teach me things I have to learn in life. I am thankful for my electronics because I like to play on them. I am thankful for my home because otherwise I would have nowhere to stay. I am thankful for my pet kitten because I've always wanted one. I am thankful for my classroom because it's where my teachers teach me. I am thankful for my food because I can eat and live. I am thankful for my digital clock because it tells me the time. All these things are important to me because they do all different types of things. Thank you for everything everyone.
