Grade 4

There are many things I am thankful for. One of the biggest things I am thankful for is family.

I am thankful for my mom and dad. I am thankful for my mom because she always helps me with homework and studying. My mom also cooks food for me. She takes me shopping and out to eat. She takes care of me when I'm sick or not feeling good. She takes me to the doctor and dentists.

I am also thankful for my dad. He always protects me when I am nervous. He will take off work to stay with me if I'm sick. He gets me anything want for Christmas and my birthday. He plays a lot of board games with me to keep me entertained. He is always willing to help me.

I am thankful for my cousin Justo. I get to spend a lot of time with him. We always joke and play around. We went to Six Flags a lot of times together. We also went bike riding a lot this summer. I am thankful for my other cousin Alex. He plays video games with me. When he comes to visit he helps me with homework. He always gets me cool gifts. He is always at my birthday and Christmas.

I am also thankful for my kittens, Zeus and Emmie. It's fun to spend time with them. I love to play with them and pet them. I like to lay down with them.

I am very fortunate to have all of these family members who love me and who I love. I am thankful for everything that I have. I thank God every day for all the people in my life.
