

I am So Thankful

By David Tonawitch

I am Thankful for Health /
Life , family and Friends

I am especially Thankful

for family because they help

me with things i dont

know or things i need
to know.

I am also Thankful for

Life / health because

without them I won't

be writing this or

even in school

Lastly I am grateful for
Friend because They keep
me company and They help
me.

I really appreciate
Family, life/health and
Friend I will think
of them during thanks
giving
