By Eliyat Showitz

I am very thankful that  
God gave me a family, friends  
and vacations. I love my  
family because they  
are thankful for me. And  
I love them back. I am  
really happy that they  
put me in Mazel Day  
School it has got a lot  
of smart kids like me.  
I am also lucky I have  
friends like Branon. They  
treat me with the respect  
I want. My dad lets me

I have alot of freynds over  
my dad evn let me see  
a movie with my freynds.

I have alot of freynds.

After, all that hard work  
my parents bring me on  
vokations, I feel super  
reahred in the hot, tropical  
sun. Gold pools make me  
feel evn more reahred.

I am thankful for that  
and many othr things
