

I'm So Thankful!

Thanksgiving reminds me of all the things I'm thankful for. I appreciate my family, my school, and my friends.

I'm especially thankful for my family, because my parents encourage me if I have a hard time doing my work. My sisters play with me when I'm bored. My grandparents don't see me a lot so I try to spend as much time as I can with them. I love my family.

I also appreciate my school because Mazel Day school is a private Jewish school so I'm lucky to be there. I am also thankful for my teachers because they taught me a lot this year.

I'm grateful for good food in the cafeteria.

Finally I'm grateful for my friends because they are nice to me and they support me at school. I am also thankful.

for my friends because they make me feel good. My friends help me with stuff I don't know. My friends are the best!

As I enjoy this holiday season, I realize that I have many reasons to be thankful. My family, my school, and my friends are very important to me.
