

Grateful Essay

This Thanksgiving I'm thankful for three things. The first thing I am thankful for is my family. My family cares about me. They support me. The second thing I'm thankful for is my health. I'm pretty healthy. I run around and get a good meal. The last thing I'm thankful for is my home. My home is nothing fancy but at least I have home. To sum it all up, that is why I'm thankful.
