

I am thankful for a lot of things here are some of them. The thing i am most thankful for is family. I am thankful for my family because they always understand me and help me with whatever i need.

Another thing i am thankful for is my teacher Mrs. Garrow. I am thankful for Mrs. Garrow because she helps me learn what i need to know and more. Another reason why i am thankful for Mrs. Garrow is that she is very nice to everybody in the school.

The last thing i am thankful for are my pets. I am thankful for my pets because they are alway comforting when i am sad. Another reason why i am thankful for my pets are that they are really cute.

Those were some of many things that i am thankful for.
