In November it will be Thanksgiving. A time for family and friends to get together and celebrate. It's a time to be thankful for things we have.

There are a lot of things to be thankful for. One thing I'm thankful for is my teacher. She provides knowledge. My teacher is kind and caring. I'm thankful for my friends. They are very nice. They are caring. They make me feel happy. My parents are the most caring. They make me feel very, very safe. For Thanksgiving my family cooks a chicken, rice, and makes a salad. I'm also thankful for police officers. They risk their lives to save ours.

In conclusion there is a lot of things to be thankful for on Thanksgiving. These are just a few things to be thankful for.
