My name is Linus. I'm a Chinese American  
I was born in 2010. Right now  
I started 3rd grade about a month ago  
I'm in ms Derico's class. Thanksgiving  
is coming and I will think about  
everything I'm thankful for. And this  
is what I'm thankful for.

What I'm thankful for is my  
education the reason why I'm thankful  
for this is when I grow up I can  
get a good job. I'm also thankful  
for my family because the hard work  
they do. And without my family I  
could never learn. Or learn all the  
special things they taught me. For example my  
grandma taught me to bake cookies and  
make ice cream like my mom but  
she taught me to make baked chicken.  
What I'm also thankful for is my  
birth day because it's the day I was  
born. These are all the things I'm  
thankful for.
