

Lots and Lots of Thankfulness

By: Angeleah Spinner

There are so many things I am thankful for but I can only tell you three important ones

Number one is my best friend Emily . She means the whole world to me .Unfortunately she moved away back in third grade but there is always a piece in my heart left for her. She is never mad at me and always there for me when I'm down.

The second one is my teacher. Without her I wouldn't know how to write this. She teaches me so many things and I learn from them .My teacher is also very smart. She is awesome and kind too!

The last people I am thankful for is my mom and my dad .Without them I wouldn't be alive and they are always there for me .And they always play with me.

I know I said that my parents were the last one but I HAVE to add one very very special person. Her name is Danika and she is my little cousin .I love her so much. She means the whole world to me and is just a bundle of joy and really fun hang out with .

I guess you could say that I am thankful for a lot of people but that's not everyone. I wish I could share more but I have ran out of time sadly .
