

What are you grateful for???

I am grateful for family, pets, friends and my teacher and this is why. First always comes family, I am so grateful for my family. My mom is loving and kind my dad is super funny and smart. Grant is funny and tries to teach me stuff about airplanes and drones but I have to enment it gets pretty boring after a while. And I can't forget my twin brother Pierce, he is super funny and active i like to play with him outside. I now this is considered a pet but not to me my turtle named Leo is part of my family. I love him and all family.

Now for my friends they are so nice and they always makes me laugh. My best friend is Oona senft she cheers me up everyday and always makes me laugh!!!But my other friends are great to and they are Liana,Brayden,Kendra,Harper,Mily,Esme and violet. And I am grateful for all of them.

Now for the person who I see every day in a happy mood, Mrs.Garrow!!!!!! She helps anyone on anything they need. She helps with math,ELA,reading and any problems at home. I am so grateful that she is my teacher. I also love how smart,kind and honest she is.

Now I will talk about pets, I know how I already talked about Leo my turtle but to me he isn't a pet he's part of are family. I also love my four fish named mr.magoo,einstein,snowball and oliver. I do love them but I do consider them pets.

.....
And I am grateful for all of these things!!!!
