What I'm Thankful For

Thanksgiving is coming soon. On Thanksgiving families and friends get together to celebrate all of the good things they have. Families remember what they are thankful. Families and friends meet their family's members.

I am thankful for police officers because they make our life peaceful. They also put people in the hospital that are hurt. I am thankful for my family and friends because they help me. They make me happy. I am thankful for teachers because they make me learn new things. I am thankful for the vet because they save animals. I am for America because it's a free place.

In conclusion, now you can clearly see what Thanksgiving means to me and all the things I am grateful for.
