

Giving Thanks

By Maria Candia, Class 4-317, P.S. 238

Thanksgiving reminds me of all the things I am thankful for. I appreciate my family and my teachers and my friends.

I am especially thankful for my family because they are funny and nice to me. Especially my mother and father who work very hard to make sure my brothers and sister and me are well taken care of.

I also appreciate my teachers because they help me do my best. My fourth grade teacher, Mrs. Mekel, is very nice and always speaks in a soft voice and explains the lessons. She makes sure everyone understands the lessons. Ms. Mekel is also very funny.

Finally, I am grateful for my friends because they are nice to me and we play together and we go home together from school.

As I enjoy this holiday season I realize that I have many reasons to be thankful. My family teacher and friends are very important to me.
