

Giving Thanks

By Olivia Elias, Class 4-317, P.S. 238

Thanksgiving is the time of the year that we give thanks for all the good things in our lives. I am very thankful for my family, friends and my teacher.

I'm especially thankful for my mom and dad because when I have problems they help me and they cook me food. I am also thankful for my dad and mom because they take care of me and they cheer me up when I'm sad.

I'm also thankful for my friends. I'm thankful for them because we do homework together, we talk a lot and laugh. We also play games and study. Whenever I'm sad they always cheer me up! Their names are Ashley, Maria S., Tatiana, Maria C. and Sara. They are the best friends I could ever have.

And the last thing I'm really grateful for is my teacher. I'm grateful for Mrs. Mekel because she's an awesome teacher. Mrs. Mekel is always happy, her explaining is really good and she teaches us really fun things like idioms. Mrs. Mekel also helps us learn facts and get a good education. Mrs. Mekel is also really funny and she helps us learn new stuff.

These were the three things I am grateful for. I am so thankful for my parents, friends and teacher.
