

What are you grateful for?!!!

One thing I'm grateful for is my family because my mom helps me with homework if I need help or if I ask for help, my dad helps and teaches me how to build things and one time I built a shovel because of him, my brother entertains me and is funny, my sister plays with me and is also funny, and my dog sammi plays games with me and cheers me up.

Another thing I'm grateful for is my pets because sammi my dog plays tug of war with me, loves me as much as I love her and rolls over on her back for me. I also used to have three fish named goldy, fireman and goober. Goldy had a giant head, fireman was orange and goober was gray fish.

And the next thing I'm going to mention is friends because their always nice, kind and helpful. Also they cheer you up when your feeling angry, sad or nervous. And help you with your work if you need help.

And second to last thing I'm grateful for is my teachers because they teach you math, science, writing and reading. These are the teachers I've had in RC buckley, Ms. Evanek, Mrs. Zarate, Mrs. Winslow, Mrs. Hollenbeck and Mrs. Garrow. Mrs. Hollenbeck used to give us starbursts for being good in the hallway, Mrs. Winslow gave us lollipops every Friday, Mrs. Evanek gave us free time, Mrs. Zarate let us go on ipads and Mrs. Garrow gives us smarties.

The last thing I'm going to mention not the last thing I'm grateful for is Holidays because they help people get together with their family and you

get to do fun things that you normally wouldn't do and you can eat dinner and talk together.

In conclusion, that is what I'm grateful for.
