

## What I'm Grateful For ... by Pierce Corso

i'm grateful for my family, friends, and sports this is why ... if i did not have a family and was not born I would not be typing this. Also I would not learn how to ride my bike and tie my shoes and play the cello.

I'm also grateful for my friends because they cheer me on and their really nice. I'm glad I have friends.

And not but least sports. I'm thankful for sports because It's fun.

And because if I did not have sports I would be bored. those are three things that I'm grateful for.
