I cannot believe November is next month. I look forward to thanks giving every year.

There are so many things I am thankful for. I am thankful for my mother driving me from Long Island to Brooklyn so I can go to this school. I am thankful for all things, especially my clothes. Another thing I am thankful for is my two hamsters and my dog. My parents allowed me to have these pets my mom always helps me when I am sick. She also cooks us wonderful dinners. She does so many more things that I can not name but I love her so much because of all the things she for our family.

To sum it up that's what I am thankful for this year.
