

Thankful by Delilah Beatrice

Very pretty, golden leaves
falling, falling from the trees.
Evergreens stand out the most,
the other trees seem to boast.
Thanksgiving's coming soon -
big feasts in the afternoon.

I'm thankful for my family
and the good people around me.

I'm thankful for all my pets:
two cats, a mouse, a guinea pig.
I'm thankful for my favorite books,
my warm jackets, hung on hooks.

I'm thankful for a warm home,
the cozy chair feels like a throne.

I'm thankful for full meals,
and the ability to sit, stand, and kneel.
Happy Thanksgiving to the ones I love,
both friends and family, America.

Happy Thanksgiving to everyone.
Spread some cheer and have some fun!
