### What I Am Thankful For

My essay is going to be about what I am thankful.

I am thankful for my mom and dad. I would not be alive without them. I love my parents. I am also thankful for my grandparents. I love going shopping with my Grandma Joyce and Grandpa Vincent. I love going shopping with them because they will let me sleep over after our shopping trip. They also drive me to school almost every morning. I love them! I love my Grandma Mary and Grandpa Paul. My Grandpa Paul passed away in May. I was very sad. I loved when he would tell me stories about when he was a kid. I love when my Grandma Mary makes me laugh. She also cooks my favorite dinners for me.

I love my sister Alexa because she is so much fun to be around. Well most of the time, anyway. Alexa is only 2 and a half, she is going to be 3 this month. I am thankful that God gave me a sister to be my friend for life.

I love to play with my friends because they are also kind. I love my friends Kimberly and Mia. I love them because they have always been there for me when I am sad. I am also thankful for my friends Ciro, Nico, FrankPaul, Justin, Samuel, Aidan, and Daniel. I have great times with them all. I am thankful that even though my friend Francesca is not in my class anymore we are still best friends.

I am thankful for my friends and all my family.
