### What I Am Thankful For

Thanksgiving is a good time to give thanks. I like to thank people for what they do for me. Things I am thankful for are Jesus, my grandma, and my parents, my best friend Emma, and my teacher, doctors, and fire fighters

I am thankful for Jesus. I am thankful for Jesus because he died for us. We wouldn't be here if it wasn't for him. Jesus is the best because you can pray to him and he will try his best to do what you prayed for. Jesus did everything for us to be here today. He made the creation so we have somewhere to live. Jesus is amazing for what he does.

I am thankful for my grandma. I am thankful for my grandma because when I am sick she takes care of me. She is the best because she will do anything for me. My grandma is amazing. She is the best grandma ever. She cooks me chicken noodle soup when I don't feel good.

I am thankful for my parents. I am thankful for my parents because they are nice and caring. They work so they have money to buy me things. I care about them so much. My parents are the best parents ever. They are like my friends. My dad takes care of everything that bothers me. My mom makes sure I am ready for school.

I am thankful for my friend. I am thankful for my friend because she sticks up for me when people are being mean to me. She is the best friend you can ever have. She is like my cousin. My mom and her mom are. During the summer we go to her PA house. I don't remember how we met. We are really good friends. We go to different schools. She is a friend that we make sure you are ok when you are sad. She will play with you if no one else is. She is bossy to me though.

I am thankful for my teacher. I am thankful for my teacher because she helps me learn new things. She also makes school fun. She is the best teacher I ever had. School is not fun without her. She is awesome.

I am thankful for doctors. I am thankful for doctors because they help save your life. Doctors can help you with almost every sickness you have. You can trust doctors to take care of David is going to die saving someone else's life. I am happy that he can save people's lives so that one day he can save my life when I need help. He is my favorite uncle ever.

That's everything I am thankful for. I am thankful for more things but I only chose 7.
