I am thankful for my family. I am thankful for my family because they give me comfort and a home to live in. I am thankful for my mom because she cooks me good food. I am thankful for my dad because he makes me laugh. I am thankful for my sister because she inspires me. I am thankful for my brother because he is a good friend and brother that plays with me.

I am thankful for shelter because it gives me warmth. It protects me from bad weather in this world. It also protects me from bad people in this world. It also helps me go to sleep in peace. It also gives me privacy.

I am thankful for toys and games. I am thankful for toys and games because I get to use my imagination for fun and peaceful things. I am thankful for toys and games because I also get to spend time playing with my family. I am also thankful for them because I get to use my brain for thinking what my toy should do next. I am also thankful for them because it makes me have new friends to play with me and my toys.

I am thankful for God. I am thankful for God because he gave me life. I am also thankful for God because he sent Jesus down from heaven to be crucified to save us from sin. I am also thankful for God because he created this world for us. I am also thankful for God because he gives us love, joy, hope, and peace.
