What I thankful for

What I am thankful for is my parents because my parent make money for me and my sister to eat and let me and my sister go to school and make friends and be smarter then before and a worm home. My dad is nice to me because if I want something he buy it for me sometime my dad will say what to not buy and my mom when I not happy she always will make me happy.

I am thankful for the farmers because they plant crop and for people to eat and milk the cow to let kid grow and plant vegetable to keep everyone healthy and collect eggs and plant fruit like apples.

I am thankful for the people protect the animals because they protect the animal from dying and protect it from the hunter and keep them healthy and they are protecting God creation but sometime they lose some animal from died.

I am thankful for the police because they try to not let us got robbed and lose money from the robbery and keep the bank not got rob and loss the money that that the parent work hard make the money so hard.

I am thankful for plants because they make air for all the animal to breath and food to eat.

I am thankful for God because God is own creator and he create earth and plant and he send his only son to save us.
