My essay is about what I am thankful for.

I am thankful for my family. My mom gives me confidence and encouragement. My sister dog licks me gets so excited when he sees me that he pees on the floor. I am Thankful for food because when I have food I spend time with my family. I am thankful for life because if I did not have a life I would not be here.

The three things that I am thankful for are my family, my food that I eat and my life.
