This essay is about three things I am thankful for.

I am thankful for my cat. He never bites me or hurts me. Sometimes he sits on me and we watch television together. His name is Nemo. I am thankful for him because I can play with him. Nemo has been in my family since before I was born. I cannot imagine a life without him

I am thankful for my sister. She plays with me. She also helps me build my pillow forts in my house. She is nice to me.

I am thankful for my friends. They are nice to me. They cheer me up when I am sad. They play with me everyday.

I am thankful for my cat, sister and friends.
