

# Thankful writing

By Noah Oliva

There are many things I am thankful for this Thanksgiving.

The first person I am thankful for is my sister, Sophia. I am thankful for her because whenever I am bored, she comes to play UNO with me. I am also thankful for her because she is so hilarious! I almost cried of laughter once!

The second person I am thankful for is my brother, Carlos. But I like to call him Junior. I am thankful for him because he is very loving and takes good care of me and my sister! He can hug us so hard, that he can potentially crack my back! I am also thankful for him because he is funny and because he teaches me a lot of lessons.

And those are the two things I am thankful for this Thanksgiving!
